Parent-Teacher Organization

Want to get involved?!? Join South Elementary School PTO! Our PTO meets monthly to plan and organize activities and events to benefit our South students. All are welcome to attend and encouraged to participate.

PTO Officers:

President: Bethany Willard & Samantha McDaniel

Vice President: Leslie Arthur

Secretary: Jessica Hostetter

Treasurer: April Shover

Contact South PTO at:

southelementarypto@yahoo.com

South Clubs/Teams/Programs

- Chess Club
- Robotics Team
- Art Club
- Math Bowl
- Communications Club
- SES Rewind

Title I School

Our Title I Program is designed to help students increase achievement in the areas of Reading and Math. This is achieved through interventions that are supplemental to the student's core instruction. All interventions are researched based programs and monitored throughout the school year.

Communication-Focus

The purpose of implementing and embedding communication skills into the curriculum is to:

- Support current school mission and vision statement
- Prepare students to enter an increasingly connected and globally-competitive workforce by providing opportunities in communications for real world applications
- Provide a variety of student opportunities for communication life skills to prepare students for career paths of their choice
- Enhance students' educational experience
- Support all students in their communication and ability to listen, understand, and communicate effectively with one another

South Elementary Mission

Empowering students through communications and lifelong learning

South Elementary Vision

At South Elementary School, we are a learning community nurturing a culture to provide students the skills necessary to be active, productive, and responsible citizens while empowering students through communications.
