Dear MSD of Martinsville Families,

Student curricular materials fees for the 2022-2023 school year have been posted in [Skyward Family Access](#) and are now available for payment. Additionally, a paper billing statement will be mailed via U.S. Mail.

Please log into your Family Access account and select the Fee Management tab to view student fees. The fees include the rental of curricular materials based on the courses in which your student is enrolled in addition to fees for workbooks and consumable items.
